

**EXAMINER'S STATEMENT OF REASONS FOR ALLOWANCE**

***Response to Amendment***

1. This action is responsive to applicant's amendment and remarks received on 6/15/09. Claims 2-8 and 10-23 are currently pending.
2. Claims 2-8 and 10-23 (to be re-numbered as 1-21) are allowed.
3. In light of Applicant's amendments, the 35 U.S.C. 101 rejection has been withdrawn.
4. The following is an examiner's statement of reasons for allowance:  
Regarding **claims 17 and 20**, the claim recites a method of segmenting pixels comprising the features of "a step of recording in a file describing the multimedia content, information on the sub-image with the selected resolution, which is a highest resolution that can be retrieved by an end user when displaying the multimedia content." The Examiner has not found any other prior art to anticipate or render obvious the quoted claim limitations when read in light of the other claimed limitation. Accordingly, claims 17 and 20 are found to be allowable.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
